

News Release.

June 27th, 2010

The NDFC is pleased to announce that the winner of the World Cup Logo Competition is Dean Lawson.

There were lots of submissions which created a difficult task for the executive in their selection process.

We would like to thank everyone for their submissions and for participating in this competition.

All of the non-winning submissions will be deleted from our files so to avoid any intellectual property infringements.

The winning logo will now receive minor adjustments prior to being released.

Thanks again to everyone that participated in this competition.
